

2025 Community Impact

Peoples Gas delivers more than natural gas

We invest locally, empower our team to serve, advance energy efficiency and prioritize safety. Our community impact is rooted in service and driven by purpose – because Florida is our home, too.

Uplifting communities

Peoples Gas is aligned with national organizations at work in Florida to strengthen and uplift those around us in distinct ways – addressing needs, promoting long-term wellbeing and fostering a more resilient and compassionate community.

American Red Cross

Supporting disaster response and recovery

Habitat for Humanity

Building housing stability for families

American Cancer Society

Advancing cancer prevention, research, patient services and hope

United Way
