The rates do not reflect the Purchased Gas Adjustment, which is passed through from gas and major pipeline suppliers and can fluctuate monthly based on the price of natural gas.

Rate schedules are subject to gross receipts taxes, city and state taxes and franchise fees, where applicable.

Base rates are part of the Customer Charge and Distribution Charge line items on your bill. The Distribution Charge is a grouping of several costs, including your base rate, a charge for energy conservation programs, legacy pipeline replacement and other costs.

Notice of Rate Request and Customer Service Hearings

On March 31, 2025, Peoples Gas System filed a petition (Docket 20250029-GU) with the Florida Public Service Commission (PSC) requesting a future increase in base rates. The increase will vary by customer rate class and, if approved as filed, would likely take effect in January 2026.

Floridians depend on natural gas. As Florida grows, Peoples Gas must continue to make investments in our team, our tools, and the maintenance and expansion of our system to serve customers and communities across the state, particularly as energy resilience becomes increasingly important.

The decision to raise rates is not an easy one for us. There is never a good time for it, and we know increased prices are affecting everyone.

Since January 2023, the last time we requested to raise base rates, we have: expanded our network by adding approximately 1,260 miles of main and service lines to serve demand; connected thousands of customers to ways to save energy and money through our free energy audits and conservation programs; invested in the safety of the public and our system; and continued to be among the leading utilities in the nation for customer satisfaction and brand trust.

We take the responsibility to deliver safe, dependable and affordable energy to our customers seriously, and that includes managing our business carefully while meeting their evolving expectations.

Online registration for the virtual service hearing will open on June 30, 2025, at 9:00 a.m., and close at noon on July 10, 2025.

One day prior to the virtual service hearing, customers who signed up to speak will be provided further instructions from PSC staff on how to participate.

Customers who wish to speak at the in-person service hearings may register upon arrival at the venue. There will be no online signups for the in-person service hearings.

All persons who wish to comment, either virtually or in-person, are urged to appear promptly at the scheduled times because the service hearings may be adjourned early if no customers are present to testify or when those present have testified.

Please note that the order in which customers will speak is based on the order in which they register. If you have questions about the sign-up process, please call **(850) 413-7080**.

On Sept. 8 - 11, 2025, the PSC will conduct a technical hearing to allow Peoples Gas and other parties involved in the proceeding to present testimony and relevant evidence regarding the rate request.
